

The background features several overlapping, wavy, organic shapes in various shades of green and teal. These shapes are positioned primarily on the right side and bottom of the frame, creating a layered, watercolor-like effect. The colors range from a pale, almost white-green to a deep, dark teal. The overall composition is minimalist and modern.

Fiber Art!

The background features abstract, organic shapes in various shades of green and teal. On the left, there are darker, more saturated green shapes. On the right, there are lighter, more muted green shapes. These shapes overlap and blend into each other, creating a soft, painterly effect. The overall composition is minimalist and modern.

What is fiber art?

An art in which the materials
consist of fiber such as
yarn or fabric

Monochromatic

Containing or only
using 1 color

Monochromatic Yarn Canvas

any other
shape
you can
think of

NO

SHAPES!

= (NO)

- What designs can I create without the use of shape?
- What color would I use?
- Will I use black and white yarn or no?
- Will I be able to recreate my sketch with yarn?
- Which way will you lay your canvas? Horizontal or vertical?
